Tour Itinerary:

Day 1: Arrival in Bremen

Welcome to Bremen! It's an almost magical feeling to be "back home", knowing that for the next few days, you will walk in the same paths as your German ancestors once did. This afternoon, you will explore the city of Bremen on a 2-hour emigration-themed guided tour with your tour leader. Afterwards, enjoy our welcome dinner in a cozy restaurant in Bremen and get to know the other tour participants. D

Day 2: Bremerhaven

We are off to an adventure as we take the boat (just like your ancestors did) from Bremen to the harbor town of Bremerhaven. Here, we will visit the emigration museum "German Emigration Center". In an interactive exhibition, the museum has recreated your ancestors' journey when they emigrated from Bremerhaven to America. B/D

Day 3: Cloppenburg

Today, we visit the open-air museum "Museumsdorf Cloppenburg" in rural Lower Saxony. We travel back in time and really get a feel of how our ancestors once lived here in the rural areas of northern Germany. B/D

Day 4: Departure

All good things must come to an end. But by the end of this trip, you will have learnt a lot about emigration from Germany and the living conditions of your ancestors prior to their emigration. Now, it's up to you to explore the next chapter of your ancestor's journey. Perhaps you will continue your ancestry-inspired trip in Germany by visiting your ancestral hometown(s)? B
